Bowl Across America is far more than just a day bowling! It's a fundraising event held in locations across the USA that changes lives! The dollars raised through Bowl Across America will help support current programs such as:

Special Touch Summer Get Away A premier retreat experience for people with disabilities and their families.

Special Touch Local Chapter Program Groups that meet in local cities providing a connection between people with disabilities, their families, the local community, and area churches.

Disability Related Services & Support Training, Consulting, STREAM Teams, (Special Touch Ready Emergency Assistance Mission), Individual & Family Support

They will also provide new local opportunities to offer a compassionate response to needs in the disability community...and we can't do it without your help.
